In central London, where the beautiful London lights hide the dark shadows of exploitation, hope is being restored, one life at a time, through the work of Tamar.

Tamar works with those being exploited in the sex industry, some of whom are victims of human trafficking and modern slavery. Offering holistic support that is both physical and practical, emotional and spiritual, our team walks alongside the isolated on their journey to a new life of freedom.

At the core of Tamar's mission is the belief in the inherent value and dignity of every person, inspired by the gospel of Jesus, who came not to condemn but to offer abundant life.

DOUBLE YOUR DONATIONS!

This year, we have a fantastic opportunity to double all our donations, up to £25,000.

Through your one-off donations or regular giving, your generosity can go even further: a gift of £10 a month becomes £22.50 (with gift aid)!

Will you join us to be a part of our ongoing mission to restore hope, dignity and freedom one life at a time?

Together, we can make a difference.
